

Who we are.

Emilie Korenberg

Account Coordinator, Fiona Hutton & Associates

A talented communicator and outreach specialist, Emilie Korenberg knows how to deliver results for our clients. At Fiona Hutton & Associates, Ms. Korenberg's keen ability to activate the right coalition members, deliver messages effectively and implement strategy makes her a valued tactician for our clients.

From leading client outreach and coalition-building efforts to developing and managing highly targeted outreach databases, Ms. Korenberg understands that our clients' success depends upon being able to implement the appropriate response and outreach in a timely and professionally executed manner.

Ms. Korenberg assists in the day-to-day management of external communications and operations for our clients ensuring a consistent message is carried successfully through all platforms. She provides essential oversight of social media, web site management and creation and distribution of e-newsletters. With a background in event coordination and non-profit work, Ms. Korenberg also has a proven ability to effectively coordinate high-profile events. Her highly organized approach and adroit supervision of these ongoing tasks ensure our clients get the information and services they need, when they need them.

Since joining Fiona Hutton & Associates, Ms. Korenberg has demonstrated her communications and outreach skills serving in a key role in the membership development and management of the Southern California Water Committee. Using her event planning skills, she successfully coordinates Southern California Water Committee's Annual Dinner which attracts 400-500 stakeholders and opinion leaders every year and is spearheading a statewide public education and outreach program on the Sacramento-San Joaquin River Delta.

Ms. Korenberg graduated from Chapman University with a B.A. in Organizational Leadership. She is in the process of completing her Masters of Communication in Science, with an emphasis in Organizational Communication and Conflict/Crisis Management, at Pepperdine University.
